

Application No.: 10/519,520
Office Action Dated: December 1, 2005
Response to Office Action: December 21, 2005

REMARKS

Claims 1-12 are pending and remain for consideration. Claims 1-12 are amended herein.

Claims 1-12 are objected to because of minor matters of form including antecedent basis. The Examiner states that claims 1-12 would be allowable if rewritten or amended to overcome the objection.

Claims 1-12 are amended herein to address the objections raised by the Examiner. It is therefore submitted that the objection to claims 1-12 is overcome.

In view of the foregoing, it is respectfully submitted that claims 1-12 are in condition for allowance. All issues raised by the Examiner having been addressed, an early action to that effect is earnestly solicited.

No fees or deficiencies in fees are believed to be owed. However, authorization is hereby given to charge our Deposit Account No. 13-0235 in the event any such fees are owed.

Respectfully submitted,

By *Daniel G. Mackas*
